A black and white photograph of a modern building facade. The image shows a large, flat, rectangular section of the building, possibly a wall or a large window, with a dark, horizontal band across its upper portion. To the right, a curved section of the building is visible, featuring a window with a dark frame. The sky is overcast and cloudy.

4

A black and white photograph showing a portion of a brick house. A chimney is visible on the roofline. A window with a white frame is partially visible on the right side. The house is surrounded by dense foliage and trees. In the foreground, there is a wooden fence and a brick structure, possibly a garage or a small outbuilding, with a dark door.

5

A black and white photograph of a modern building. The building features a large, flat roof and a prominent, dark, rectangular section. The architecture is characterized by clean lines and a mix of materials. The sky is overcast with clouds.
